Product highlights

The DGT 3000 is DGT's most advanced chess clock. It is in full accordance with FIDE rules and regulations. It replaces the DGT XL and has many new and improved features such as a larger display with more information.

Seconds are always shown from the start of any game. It has twenty five pre-set timing systems and five slots for customized settings. It incorporates all fashionable timing systems for chess and draughts and features many extra options such as US delay and options for Scrabble.

The DGT3000 connects to all DGT e-Boards and comes with a five year manufacturer's warranty.
